Voting eligibility at the Annual Membership Meeting and related issues

In preparation for the upcoming Annual Membership Meeting to be held in Santa Rosa on April 28, and to standardize issues regarding voting, clarification is needed (see Article III, Section 5 of the Bylaws). The procedure for voting by non-individual members sometimes arises.

To make this process more systematic, below is a standard form to be completed and submitted at the time of registration to allow voting by non-individual members at future Annual Membership Meetings. The form may also be acquired by calling the Cooperative's corporate offices at 1.575.389.5100, toll free 1.800.432.2369, or by visiting our website at http://www.plateautel.com.

According to Membership Policy #15 relating to the credentials and election committee, the Board grants authority to a group of non-member, non-employee certified public accountants to conduct the elections of Board members. The CPAs will respond to all voting issues, collect, tabulate and report election/voting results to the Cooperative's membership while in attendance at the Annual Meeting, either in person or by participation at remote, televised locations. These individuals will be independently employed by the Cooperative and will have no direct or indirect association with the company.

Also, subsection 3(m) of the policy states, "That should an election for a director position result in a tie, then the two candidates with the highest vote total, thereafter, will immediately be submitted to the membership for an additional vote in a runoff election."

Members registering at the Annual Membership Meeting on behalf of a partnership, organization, church, trust, corporation, governmental agency or limited liability company must present documentation at registration denoting such. For convenience, a blank form has been provided below to accomplish this. The form must be signed and notarized. The form can be delivered by the appointed individual at the time of registration at the Annual Meeting. No person may vote more than one time or receive more than one ballot. For more information, call 1.575.389.5100 or 1.800.432.2369.
