

NOTICE OF JOB OPENING

Network Technician **Clovis, NM**

Applications are being accepted for a Network Technician for the Clovis, NM area.

Primary responsibilities include troubleshooting, testing, repair and installation of central office and network communications equipment to ensure optimal performance and reliable services to our customers; maintaining central office and network equipment, installing new network equipment; and locating business and residential copper and fiber-optic communication cable.

Previous experience with telecommunications networks and equipment and fiber splicing is required. Experience with SONET based, long-haul and metro transport networks, next-generation DWDM wavelength systems desirable. An Associate's degree in Electronics/Telecommunications, or equivalent is preferred. This position requires proficient skills with common computer applications, DC power, telco grounding standards, small hand and power tools, and telecommunications testing equipment. Training and/or certification related to IP Networking is recommended. The ability to lift up to 100 pounds and the ability to work with and without close supervision is required. A valid driver's license and a clear 3-year driving record are required. This position may require performing physically demanding tasks in weather and temperature extremes, as well as extensive daytime and nighttime driving throughout Plateau's geographic serving area.

This position is eligible for a variety of exceptional benefits, including 100% company-paid medical, dental, vision and prescription insurance, 100% company-paid annuity pension plan, 401k, generous paid time off and paid holidays.

Apply online at <http://www.plateautel.com/company/careers/>. This is an immediate opening – apply today! Applications will be accepted until position is filled.

Plateau is an Equal Opportunity Provider and Employer and a Drug/Alcohol-free Workplace.
