

NOTICE OF JOB OPENING

Quality Control Technician **Clovis, NM**

Plateau is accepting applications for a **Quality Control Technician** for our Clovis, NM Headquarters location.

The Quality Control Technician conducts quality control inspections of all service installations and corrects deficiencies to ensure compliance with RUS, NEC, safety, and fire code standards. Other duties include designing and installing equipment racks and power channels for new equipment, researching and recommending new standards for installations, and providing advanced technical support for outside technicians and Company personnel.

The successful candidate for this position will have previous experience with telecommunications networks and equipment and fiber splicing. Experience with SONET based, long-haul and metro transport networks and next-generation DWDM wavelength systems is desirable. This position requires proficient skills with common computer applications, DC power, telco grounding standards, small hand and power tools, and telecommunications testing equipment. Training and/or certification related to IP Networking is recommended. The ability to work with and without close supervision, lift up to 100 pounds, and perform physically exerting tasks with routine exposure to dust, dirt, wind, and temperature extremes is required. This position also requires a valid driver's license, clear 3-year driving record, and extensive daytime and nighttime driving throughout Plateau's geographic serving area.

This position is eligible for a variety of exceptional benefits, including 100% company-paid medical, dental, vision and prescription insurance, 100% company-paid annuity pension plan, 401k, generous paid time off and paid holidays.

Apply online at <http://www.plateautel.com/careers/>. This is an immediate opening – apply today! Applications will be accepted until position is filled.

Plateau is an Equal Opportunity Provider and Employer/Veterans/Disabled and a Drug/Alcohol-free Workplace.
